

Understanding Attachment and How to Support in the Classroom

- Thursday 9th March 2023
- 9am-12pm
- STACMAT Trust Offices - Cossington

This training session will offer an introduction to what attachment theory is and the difference between secure and insecure attachment theory. We will explore a brief perspective of human development in the first five years as an overlay of attachment bonds and deficits. In this session, we will discuss how insecure attachments play out in relational patterns and how care-givers, therapists and teachers can respond and help to repair.

Aimed at: SENCOs, Teachers and Support Staff

Pitched at: Colleagues seeking a deeper understanding of attachment and some practical strategies to employ within educational settings.

Duration: Half Day

Cost: £50 per delegate

EAL: An Inclusive Approach to Language Acquisition

- Tuesday 21st March 2023
- 9am-12pm
- STACMAT Trust Offices - Cossington

An exploration of how to ensure all students acquire and confidently use the language necessary for learning, in order to achieve their potential in every subject.

This session would be perfect for those who wish to embed language acquisition strategies into their curriculum, or lead a whole school approach to English language acquisition.

Aimed at: Teachers, SENCOs, middle leaders, support staff/ TAs

Pitched at: Colleagues with moderate, little or no prior knowledge of language acquisition strategies.

Cost: £50 per delegate

NPQ SEND and Inclusion Enhancement

- Wednesday 22nd March 2023
- 4pm-6pm
- Online

A 2 hour sessions providing an overview of SEND in addition to describing how NPQ module principles are enacted within a school context through a SEND lens.

Cost: £20 per delegate
