Education, Inclusion and Additional Needs – Live your best life

Inclusive Teaching Training for Early Career Teachers

Join us on our training programme designed to support inclusive classroom practice and meet the needs of all learners.

This training package will support ECTs to:

- Develop a greater understanding of psychological theory underpinning learning and development.
- Learn more about Quality First Teaching approaches to support children and young people with additional needs.
- Embed practical strategies in their practice which support the creation of inclusive classrooms.

It will also provide:

- Opportunities to network with fellow Early Careers Teachers (ECTs).
- Time to reflect on your practice and share learning with other ECTs and Mentors.
